

**The Historical and Ongoing Influence of  
Asian Plants in Pacific Northwest Gardens**

**Daniel J Hinkley**

**APLDWA Annual Design Symposium, January 23, 2014**

1. Introduction
- 2-3. Defining Asia.
- 4-7. Japan, cultural/horticultural/botanical influence
8. Engelbert Kaempfer circa 1689
9. Ginkgo biloba
10. Iris kaempferi
11. Aristolochia kaempferi, pollination biology as noted in *Amoenitatum exoticarum*
12. Carl Peter Thunberg, circa 1775
13. Spiraea thunbergii, Berberis thunbergii
14. Arisaema thunbergii subsp. urashima, white flowered form
15. Phillip Von Siebold circa 1823
16. Hydrangea macrophylla 'Otaksa', Hydrangea paniculata, Hydrangea serrata cultivars
17. Hydrangea anomala
18. Hydrangea sikkokiana
19. Magnolia sieboldii
20. Primula sieboldii
- 21-22. Acer palmatum
23. Acer carpinifolium and Acer distylium
24. The contemplative garden; Rhododendron as metaphor.
25. The PNW; Rhododendron as conquistador.
26. Nurseries Japan; Omoto, Rohdea japonica, under lock and key
27. Variation; Aucuba japonica, Hepatica nobilis var. japonica, Toxicodendron aralioides Variegated Form
28. The Mother of Gardens; China
29. River Systems as Botanical Engines
30. Chinese influences on sensibilities and cuisine
- 31-32. Sacred Buddhist Sites as Refugia
- 33-35. Paeonia obovata var. wilmottiae, Paeonia hybrids
36. Armand David circa 1880
- 37-38. Davidia involucrate
39. Augustine Henry circa
40. Hamamelis mollis
41. Acer henryi, Viburnum henryi, Rubus henryi var. bambusarum
42. Ernest Wilson circa 1910
43. Pseudotsuga wilsonii, Taiwan
44. Magnolia wilsonii, Cangsan, Yunnan

45. *Magnolia campbellii* and hybrids, Eastern Himalaya
46. *Rosa macrophylla*
47. *Rosa sweginzowii* and *Rosa chinensis* var. *spontanea*
48. *Rosa* 'Pauls Himalayan Musk' and *Rosa mulliganii*
49. *Euonymus hamiltonianus* and *Euonymus clivicola*
50. *Hydrangea aspera*
51. *Hydrangea angustipetala*
52. *Mahonia eurybracteata*, Guizhou Province
53. *Mahonia duclouxiana* and *Mahonia* 'Lionel Fortescue'
54. *Helwingia* spp.
- 55-56. *Epimedium* as traditional medicine, *Epimedium fargesii*
57. *Podophyllum delavayi*.
58. Jean Marie Delavayi circa 1890, *Osmanthus delavayi*
59. *Beesia deltophylla*, introduced 1999
60. *Pachysandra axillaris* Windcliff Fragrant, introduced 2009
61. Vietnam, contemporary exploration
62. Ha Noi
63. Fan Xi Phan, northern Vietnam
64. Weather or not.
65. Five Fingers
66. *Magnolia insignis*
- 67-68. *Schefflera alpinia*, et al
- 69-72. *Edgeworthia chrysantha*
73. *Holboellia grandifolia*
74. *Holboellia angustifolia*, Windclif
- 75-76. *Holboellia brachyandra*
77. Myanmar/Burma
78. Frank Kingdon-Ward, Reginald Farrar circa 1920
79. Puta-o, Northern Burma
- 80-81. Contemporary vs. Historical Collection
- 82-83. Trekking
84. *Cymbidium iridioides*
85. *Clematis* sp., *Begonia* sp., *Podophyllum auranticaule*
86. *Smilacina oleracea*, *Polygonatum wardii*, *Polygonatum tesselatun*
- 87-89. *Rhododendrons* of Burma, *R. arizleum*
90. *R. rarei*, *R. strigilosum*
91. Conclusion.
